New dimensions of social capital:
from big data to field experiments

Rebel
Reggio Emilia Behavioral and Experimental Laboratory

WORKSHOP

22 February 2018

Aula 8
Plesso di Agraria
Viale Fanin, 48/50 (Bologna)

Aim

The idea of the workshop is to gather together people working on social capital using different data sources and belonging to different fields, with the aim to find commonalities that can improve the understanding of the role of social capital and more in general of social norms for the future of economic growth.
