

# CORE-SFS 2025 WEBINAR SERIES

## WEBINAR 1: COLLABORATION FOR CAPACITY BUILDING

The **Africa-Europe Cluster of Research Excellence in Sustainable Food Systems (CoRE-SFS)** is launching a webinar series focusing on key topics shaping the future of **sustainable food systems**.

Webinar 1 will focus on the topic of **Collaboration for Capacity Building**, looking specifically at the opportunities for collaborating on food systems research and the successes of African-European collaboration.

The speakers will include Prof. Frans Swanepoel (CoRE-SFS Co-Lead, University of Pretoria), Prof. Ernest Aryeetey (distinguished academic leader, founding Secretary-General of ARUA), Mr Sean Rowlands (Senior Policy Officer at The Guild), Prof. Davide Chinigò (Senior Assistant Professor of African History and Institutions, University of Bologna), and Prof. Brunella Morandi (Associate Professor and tree ecophysiology lecturer, University of Bologna).

Monday  
24 February 2025

10:30 – 11:35 (SAST)

Zoom
